

**WE ACHIEVED IMPRESSIVE “S.E.O.” RESULTS IN A COUPLE OF OUR CLIENTS WEBSITES:**

Here are the cases. Check them. You might need us to **DO MORE BUSINESS** through your website!!!!

**CLIENT 1:**

**REAL ESTATE RENTALS IN U.S.**

**www.dcfurnishedrental.com**

**THE CASE:** The client has rental homes and apartments at The Capital, Washington D.C., U.S. and needs a better exposure for his product: FURNISHED RENTALS.

**THE SOLUTION:** Our design department [www.costaricadesignwebexpert.com](http://www.costaricadesignwebexpert.com) studied the market, the needs and planned a fast solution in conjunction with the client. Here is how looks the web today starting from zero: Clients have a lot of info resources, a clear design, complete and detailed information on the products and lots of graphical galleries for every property. Clients can pay online and reserve....

**THE RESULTS:**

As part of the design we manage the SEO process and in two months we achieved the following results in Google on this competitive and very particular international and brand new website... : a SEO Index of 82% and a lot of search terms to do business in different search alternatives on TOP POSITIONS:

**CLIENT 2:**

**LASER MEDICAL SERVICES IN COSTA RICA**

**www.dermatologialaser.com**

**THE CASE:** The client is a very well known dermatologist in Costa Rica. Despite have 3 first class service and edge laser technology clinics in top locations on the country, the exposure was so poor that was not even ranked out of 20 main search terms. Our initial qualification: 9 points S.E.O. INDEX. As a matter of fact the only position that he had was under the search term of his name..

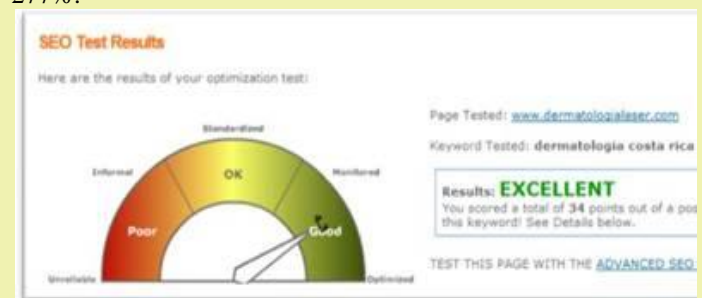

**THE SOLUTION:** We analyzed the technical issues in regard to the poor “search engine optimization” (SEO) of the website. By the way, the website is really beautiful and have a special section for cases where you can check how the clients look before and after the medical treatments of Dr. Eric Rojas who also is the owner of the Beauty Contests: PIEL DORADA and MISS TEENAGER INTERNATIONAL

**THE RESULTS:**

[www.costaricaseoexpert.com](http://www.costaricaseoexpert.com) analyzed the situation and started to do the process by the end of november. On december the changes were on the web and these are the results in less than two months:

From 9 points we have now achieved 34 for an EXCELLENT overall performance so se improved the website SEO in almost 277%:

Now these are the new positions today: INCREDIBLE

RESULTS with very important top ten positions in Google.:
